2019 July Beginners Tournament

It gives me great pleasure to announce the Second Red Dragon Taekwondo Beginner's Tournament for 2019.

To all our students and friends of Red Dragon, we once again run our bi-annual event giving both experienced fighter as well as complete novices the opportunity to experience Taekwondo Sparring in a fair and safe way. This year we continue using the use of the Grand Hall at ACPE (the Australian College of Physical Education) at Sydney Olympic Park. Hence we will enjoy more space, better seating and more support in running the competition. We also announce we will be using the Daedo PSS scoring system that gives all competitors a much fairer and enjoyable experience.

Time: 10:00am – 4pm (each fighter must be ready 30 minutes prior to their fight)

Date: **Sunday 28th July** (entries close Tuesday 24th July 2019)

Venue: Australian College of Physical Education (ACPE)
The Grand Hall
10 Parkview Drive, Sydney Olympic Park NSW 2127

On Street Parking or at Car Parking Station P6 on Australia Ave (or Bicentennial Park is also close by)

Entry Fee: **EARLY BIRD ENTRY** (by July 14th) **\$55**
Otherwise Entry (After July 14th) is **\$65**

Divisions: Due to the low numbers and variations in experience we get, we will do our best to match up Weight, Experience, Gender and Age but cannot guarantee exact matches. The emphasis of the tournament is to gain experience so we can work around any mismatches accordingly. We will be capping numbers at 80 competitors.

When entering the competition, please try to get the precise measurements on weight and height. We match up the opponents based on Belt, Weight, Height, Gender and Age. Your level of experience is also taken into consideration. There are no Weight categories or age categories as a result, this uses a best match principle.

All Divisions will compete using the Daedo PSS system, hence Socks are required and can be borrowed on the day.

Requirements to compete:

Please note all students wishing to compete in tournament fighting will require the following:

- Your own Shin pads, forearm pads
- You own Groin protector for the males (females optional)
- Your own Fitted Mouth guard (single and clear or white in colour)
- Full Uniform and Belt must be worn
- Chest Guard and Helmet Required (can be borrowed – Daedo PSS Chest guards will be typically used)
- Membership to Australian Taekwondo for insurance purposes
- Taekwondo Gloves required
- Daedo PSS Taekwondo socks are required but can be borrowed on the day

Rules for the competition:

Competitors are to check the draw for their Chest Guard Colour and when appearing before scrutineering must have all gear on for checking including mouth guard. Failure to have all necessary equipment will result in disqualification. When you have passed scrutineering, you will be issued with a Post-it note on your uniform to show the centre referee you have passed scrutineering. This will be signed by the official. Players commencing their matches will be provided with Daedo PSS Chest Guards, hence they must be fitted with Daedo PSS Socks prior to match commencement. Again these will be provided by scrutineering if the player does not have any. Upon completion of the match, they are to be immediately returned, for the next players may need them.

The rules follow the World Taekwondo Federation Rules for competition but there may be some minor alterations to suit our event. Players who strike the body legally will obtain 2 points, with a spinning motion will gain 2 points for a total of 4 points for a spinning technique. For those competitions that allow head kicks, a legal head kick will score 3 points or with a spinning motion, 5 points. Scoring will be done via DAEDO electronic Chestguard System and centrally displayed. Deductions are 1 point and new pushing rules will be enforced. Head Kicks where permissible will be scored via the Deado Electronic Helmets. Punches will be scored by controller held by a corner Judge and Protests can be made on the punch or on deductions, strictly no protests for body kicks can be made. Protersts also can be made if awarding the 2 points for the spin have not been made.

Generally, for all ages and belts, **NO HEAD KICKS ARE ALLOWED**, deductions will be awarded for even accidental head kicks and potentially disqualification. **We will allow head kick matches for higher than yellow belt and over the age of 12 only if requested on the entry form and both players agree.**

At the conclusion of the match, proceed to the scrutineer's desk to declare your result, return your Daedo Socks and if applicable receive your medal.

The draw will be available on Wednesday 25th July at reddragonkd.net
